

# Money Hill Phase 2

# Public Consultation Invitation

Bloor Homes Midlands and Taylor Wimpey would like to invite you to their public consultation events to find out more, meet the team and have your say on the emerging ideas, principles and masterplan for Money Hill – Phase 2.

Our vision is to create a vibrant and welcoming community, which has placemaking and sustainability at its heart. Our aim is to provide:

Up to 1,200 new homes, including affordable homes

New employment space

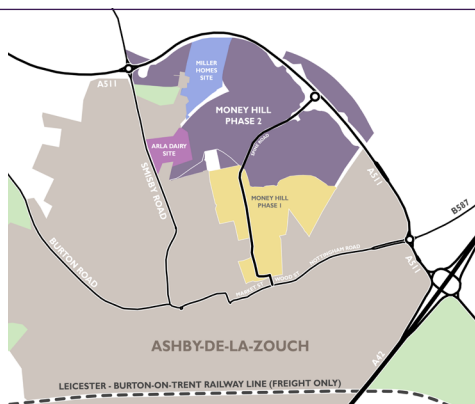

Green public open space and landscaping

Connectivity to existing bus routes, active travel routes and improvements to the existing Public Right of Way.

We are in the very early stages of developing a masterplan and are keen to hear your thoughts, ideas and suggestions to ensure that the very best scheme is brought forward.

As you may be aware, the first phase of Money Hill received Reserved Matters consent in 2022 and works are now progressing on-site. This consultation will focus on the emerging masterplan for Money Hill – Phase 2, shown above.
